An Important Statement from the  
Ventura College Foundation Board of Directors and Staff

## NO ROOM FOR RACISM OR DISCRIMINATION AT VENTURA COLLEGE

All students have the right to be treated with respect and have access to a quality education.

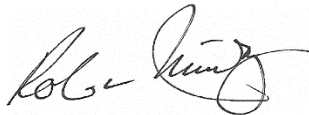

We can tell ourselves that society has made great progress in ensuring equality for all and that we as a country value each other for who we are, but reoccurring instances of hate show that bigotry and ignorance are still very much alive.

The Ventura College Foundation Board of Directors and Staff are committed to seeing that Ventura College is a safe and welcoming campus for students of all abilities, races, religions, genders and sexual orientations and that every student is afforded equitable opportunities to succeed

Let's join together to speak out loudly when we see racism or discrimination in Ventura County and around the world, and take it upon ourselves to always be kind to fellow students, co-workers, neighbors and friends.

#NoRoomForRacism #StandingTogetherAgainstHate #Anti

Sincerely,

Rob van Nieuwburg  
Chairman, Board of Directors

Anne Paul King  
Executive Director
