The Ventura College Foundation is committed to maintaining the highest standards of transparency, accountability, and stewardship of all funds, including grants, contracts, and donor-directed contributions. Our finances are thoroughly reviewed at regular intervals by our finance committee, executive committee, investment committee, audit committee, and our full board of directors. VCF undergoes an annual audit by an independent audit firm specializing in nonprofit organizations, and the VCF audit committee assesses this vendor relationship at regular intervals. All of this is to ensure our organization's prudent use of resources in achieving our mission to serve Ventura College and its students.
