FOUNDATION

SPECIAL WELCOME MESSAGE

Welcome to the Ventura College Foundation's 37th Scholarship Awards Ceremony!

What an honor it is to be here with you this afternoon as we celebrate our **2026 Student Scholarship Recipients**.

These students have moved us deeply. Behind every name you will hear today is a story of courage. Parents balancing coursework and family, students working multiple jobs to make ends meet, and young people daring to dream bigger than their circumstances. Their dedication, resilience, and determination are nothing short of extraordinary, and we are so proud to celebrate them.

To the families, friends, and campus partners who have walked alongside these students, thank you. Your encouragement, and belief in them has made all the difference. Success is rarely achieved alone, and this afternoon we celebrate you too.

To our generous donors, sponsors, and those who have created lasting legacies through endowments and estate gifts, your generosity transforms lives. Because of you, our students can focus less on how to survive and more on who they are becoming. That is a profound and beautiful gift.

We are proud to share that the VC Foundation is awarding 537 scholarships to 394 students, totaling a record breaking **\$1,038,925.82** for **this academic year**. Each dollar represents a barrier removed, a dream protected, and a future made possible.

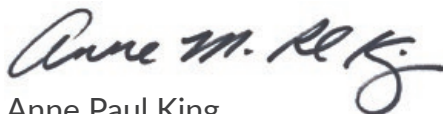

We are endlessly inspired by our students, and endlessly grateful for the community that surrounds and supports them. Together we are shaping the future of our entire community.

Thank you, from the bottom of our hearts.

With deep gratitude,

Nicole Kreutz

ABOUT THE VENTURA COLLEGE FOUNDATION

OUR MISSION: FACILITATING STUDENT SUCCESS

Established in 1983, the Foundation is one of the most successful community college foundations in California, having raised over \$51 million dollars for Ventura College and its students.

The Ventura College Foundation transforms students' lives through education by providing innovative and vital resources and financial support. The Foundation collaborates with Ventura College to enhance human potential, civic engagement, careers, and academic success of students enabling their effective impact and legacy on the college, local workforce, and our community.

VC FOUNDATION PROGRAMS

- VC Promise Tuition & Enrollment Fee Assistance Program for 1st & 2nd Year Students
- VC Basic Needs
- General Scholarships
- Phoenix Scholarships for Re-entry & Veteran students
- Textbook & Equipment Lending Library
- Weekend Marketplace
- Ventura College Campus Programs & Corporate Partnership Support

Our community colleges drive social and economic mobility in Ventura County and beyond. We know our students achieve their academic goals at VC, they can fulfill their dreams of a rewarding career, higher income, and better quality of life.

In 2024-25, the VC Foundation provided \$1,163,994 in support to serve over 10,000 students & facilitated another \$1.54 million for 56 Ventura College Programs from 14 Dept/ Divisions. Learn more and read our Impact Report: venturacollegefoundation.org/foundation-impact/

IN MEMORIAM

Today's Scholarship Awards are presented in memory of three long standing members of the Ventura College Foundation family. We honor their legacies that continue to make an impact on the lives of the students they cared about so passionately.

JIM BUTTERBAUGH

James Butterbaugh was born on the family farm in Leaf River, Illinois. At the age of 10, he moved with his family to Ojai, California, where he spent most of his life. Jim was a proud graduate of Ventura High School and considered Ojai and Ventura his lifelong homes.

Jim's legacy in Ventura County is forever tied to his entrepreneurial spirit. In 1963, he became the modern-day founder of The Wharf, a local retail landmark. Taking over the struggling business at that time, which primarily sold feed and pet supplies, Jim's vision and determination transformed the store into a thriving community institution. Over the years, The Wharf expanded and became a place that many in the community came to rely on. A proud Army reservist, Jim served his country with dedication. Beyond his business endeavors, he was an active supporter of many charitable organizations, including the Ventura College Foundation Board of Directors, membership in the Buenaventurans, the Ventura Chamber of Commerce, the Community Memorial Hospital Benefactors, and the Downtown Ventura Lions Club. His contributions to these organizations and his leadership left a lasting impact on many lives.

Jim was not only a successful businessman and community leader, but also an adventurous soul. He loved to travel, hunt, fish, and enjoyed woodworking. Above all, he treasured spending time with his family and friends, always living life to the fullest. He was a devoted husband, father, grandfather and great-grandfather.

IN MEMORIAM

JANET DOBSON LEIFUR

Janet Ann Dobson Leifur was born in Newport, RI on November 20, 1950, the fourth of six children. The family re-located to Ventura, CA when she was ten. During her junior year at Buena High School she met Gary Gene Leifur on a blind date. After dating for over four years, they married in 1972. They lived for the majority of their marriage in Camarillo. They had two wonderful children, Michael and Amy, of whom they both were so proud.

Janet followed in her mother and sister's footsteps by becoming a registered nurse. She graduated from Ventura College with an Associate Degree in Nursing and worked as a registered nurse at St. John's Regional Medical Center in Oxnard. After receiving her B.S. and M.S. degrees in nursing from CSU Dominguez Hills, Janet returned to Ventura College as a nursing professor where she taught for 10 years; she retired in 2007.

Janet's love of the nursing profession was demonstrated in many ways. Together with her sister, Joy Dobson Way, they established the Winifred Dobson Medal for Academic and Clinical Excellence in Nursing in 2002 at Ventura College in memory of their beloved mother. Janet also volunteered her time and energy with a number of organizations and fastidiously donated to many non-profits.

MIKE MONTOYA

Mike was a man who believed deeply in giving back to the community he lived and worked in. Mike carried great responsibility in his professional life as a Director at Southern California Edison, overseeing much of northern and southern California districts. But what truly defined him was not his title—it was his service. Mike devoted himself to organizations throughout Ventura County, including economic development groups, the Red Cross, United Way, Food Share, the Ventura College Foundation where he served on the Board of Directors from 2009-2022 and secretary of the board for several years. Yet with all this meaningful work as Secretary and Treasurer, what mattered most to him were people.

Mike loved the children of the Boys & Girls Club and the students of Ventura College. As a past president of the Greater Oxnard and Port Hueneme Boys & Girls Club, he led the campaign that built the Martin V. Smith Club in Oxnard. He believed that when young people are given opportunity and encouragement, they don't just succeed, they soar.

Mike found his purpose in lifting others, often quietly and without fanfare. His legacy lives on in the lives he touched, the futures he invested in, and the community made stronger because of him.

PLANNED GIVING

INVEST IN THE FUTURE THROUGH A PLANNED GIFT

Consider establishing a legacy to:

- Invest into the students and programs of Ventura College through an enduring contribution
- Find peace of mind through a variety of tax benefits
- Partner with the Ventura College Foundation to grow our community's investment in student success through sustainable strategies

Join the Legacy for the Future Society today!

Established in memory of George McNeely, a distinguished leader and dedicated advocate of the Ventura College Foundation, the Legacy for the Future Society honors individuals who have made a lasting commitment to student success by including Ventura College Foundation in their estate plans.
